Conditions of Country Membership

Committee has the power to admit to Country Membership persons normally resident outwith a radius of one hundred miles from the Clubhouse. Such persons shall be liable for an annual subscription of one-third of the Ordinary subscription. They shall have no liability for entry money. They shall have no interest in the property of the Club and shall not be entitled to vote or attend any meetings of the club nor to join in Club competitions. In each calendar year a Country Member shall be entitled to introduce not more than four guests who will be accompanied on the links by the Country Member and for each of whom one half of the full green fee shall be payable. A Country Member shall have courtesy of the links only by prior notification to the General Manager or in their absence, the Professional. A Country Member and his guests shall have the same privileges of use of the Clubhouse and facilities as are available to other Members.

Country Membership will be reviewed on an annual basis and Committee reserves the right to renew membership at their sole discretion.

Please indicate from where you learned of Country Membership of the Club -
